Nonostante le cure apportate alla realizzazione di questa cartella colori ed i continui controlli di qualità* effettuati sulla verniciatura dei nostri caloriferi, il prodotto finito puo' presentare lievi differenze rispetto alla cartella colori o ad altri materiali di riferimento (ceramica, carta, metallo ...).
Despite every care having been taken during the manufacturing process of this colour chart and of course when coating our radiators, small variations may occur between different production runs and different reference materials (ceramic, paper, metal, ...).
